

To Whom It May Concern:

We are pleased to announce “Baring Our Souls” an original radio series about the now, the before, and the afterlife. This series features special guest, Sarah Tirri, from England, mystic and writer. Sarah’s appearance shakes up the status quo by talking about the mystical, the taboo, and the forbidden! “Baring Our Souls”, is produced by Ron Dener for CBS Radio and written by Sarah Tirri. Currently this show is broadcast on CBS radio to approximately over 4 million listeners.

When Mr. Dener submitted the show, he was the first to bring to us a show of this kind which talks about reincarnation, karma, and engages the listening audience. We believe this show is unique in the half-hour talk show format that we present. The show is fascinating and seems to be very successful based upon the listeners telephone calls and comments.

I am very excited to hear that Mr. Dener is adapting Sarah Tirri’s novel “The Day She Cut God Loose”, a sci fi fantasy, for a made for television movie that incorporates philosophies from “Baring Our Souls”. I know it will be a big success!
